

# NOW— FOR THE FIRST TIME— THE INSIDE STORY OF HOW

## OUTWIT THE RUSSIANS

Twelve months ago, on assignment from The Saturday Evening Post, two Washington correspondents set out to get the complete inside story of

Central Intelligence Agency—our first line of defense in today's underground war with Russia. The result of their painstaking work is a report, which, for the first time, answers questions the American people have long been asking in vain:

- What's behind Sen. McCarthy's charge of Reds in the CIA?
- How does the CIA get its operatives, male and female?
- What has it really accomplished, especially in Guatemala, in Iran, behind the Iron Curtain?
- What do the Russians think about it...and do about it?
- Why has there always been such a hush-hush air about the CIA, its methods and its motives?
